**IN THE MATTER OF TABLING THE ISSUE OF CORRECTING ANY ITEMS
IDENTIFIED IN THE APRIL 2014 GRAND JURY REPORT**

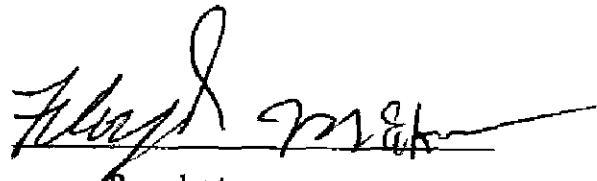

There came on this day for consideration the matter of tabling the issue of correcting any items identified in the April 2014 Grand Jury Report

It appears to this Board there were two corrections identified in the April 2014 Grand Jury Report as attached hereto as Exhibit A, and,

It appears to this Board there are plans to do some remodeling to the Court room No 2 which at that time the said items identified by the Grand Jury will be corrected, and,

After motion by Luke Lummus and second R. B Davis this Board doth vote unanimously to correct the said items identified in the Grand Jury Report at such time this Board authorizes to remodel the said Court room No 2

SO ORDERED this the 24th day of April, 2014

President

STATE OF MISSISSIPPI

FINAL REPORT OF THE GRAND JURY

TO THE HONORABLE JAMES T KITCHENS, JR

WE, the Grand Jury for the April, 2014 Term of the Circuit Court of said County and State, having been duly empanelled sworn and charged, and having been convened on April 7, 2014, and having now completed our deliberations, beg leave to submit to your honor this our Final Report

I

We, the Grand Jury, consider it a privilege to have had the opportunity of serving the citizens of the County and wish to express our appreciation of the support of the officials and witnesses who appeared before this body

II

We, the Grand Jury, have investigated the cases called to our attention by the District Attorney, Assistant District Attorneys, and County Attorney, and have returned true bills or no bills based on the evidence presented We have been in session for five (5) days, and have examined 261 witnesses, have considered 261 cases, and have returned 183 true bills

III

Members of the Grand Jury have inspected the Tax Collector's office and find the books and records to be neat and orderly and apparently well kept

IV

We have inspected the County Jail and find it to be clean and neat and the prisoners well cared for

V

We spent five (5) days in Courtroom #2 during our Grand Jury service After a period of time, the benches in Courtroom #2 got hard Since this facility is regularly as the Grand Jury room, we would recommend that cushions be provided for the benches in this room

On a number of occasions, officers who were presenting cases were using computer equipment Frequently, the computer equipment provided for Grand Jury wouldn't work and the officers were forced to get their own We would thus recommend that the County furnish new computer equipment and compatible sound equipment for use in the Grand Jury

VI

There is attached hereto and made part of a report of the Chancery Clerk of the County showing all monies collected by County Officials have been probably accounted for and deposited to the proper fund

AND NOW HAVING completed our deliberations, we beg leave to be discharged until further Orders of this Court

Respectfully submitted, this the 15 day of April, 2014

**IN THE MATTER OF APPROVING THE QUOTE FOR CONSTRUCTION FOR
THE NEW DISTRICT 5 VOTING PRECINCT BUILDING**

There came on this day for consideration the matter of approving the quote for construction for the new District 5 Voting Precinct Building

It appears to this Board District 5 is in need of a new voting precinct to be built on the property purchased by the County from A K Tribble for \$30,000 and further the said precinct needs to be built by June 3, 2014 for a State election, and,

It appears to this Board, Supervisor Floyd McKee solicited quotes for construction contract to build the said voting precinct as attached hereto as Exhibit A and the quote of Henson Construction Company, Inc for \$49,677 00 appears to be the cheapest and best quote, and furthermore, due to the said quote being under \$50,000 for the said construction contract this Board will not require to advertise for sealed bids

After motion by R B Davis and second by Shelton Deanes this Board doth vote unanimously to approve the quote as attached hereto as Exhibit A for construction to build the District 5 Voting Precinct located on 540 East Brame Avenue

Subject ad to congratulate graduates

Hey Amy, writing to see if I can get this on next week's agenda

We're now working on the May issue of Community Expressions Magazine which will center around the graduating class of 2014. I'm writing to see if the board would like to place an ad congratulating area high school seniors for a job well done. This is a great way for the board to express their pride in the accomplishments of our young people and to show their support for Clay County's youth.

A 1/4 page ad is \$225 and a half page ad is \$325.

We can take a group photo of the board and design the ad to include the congratulatory message. We will design it and submit a proof before publication.

Please let us know by April 28, as we plan to release the May issue soon. Thank you and God Bless.

Dear partners in education

In 1914, U S Sen Hoke Smith of Georgia and U S Rep A F Lever of South Carolina authored the Smith-Lever Act to expand the “vocational, agricultural, and home demonstration programs in rural America” by bringing the research-based knowledge of the land-grant universities to people where they live and work

The result the Cooperative Extension Service Today, the Mississippi State University Extension Service and Alcorn State University Extension Program offer Mississippians agricultural, economic, consumer, and youth development programs

To help us celebrate the 100th anniversary of the establishment of the Extension Service, we invite you to consider the enclosed proclamation While May 8, 2014, is the official anniversary of the signing of the Smith-Lever Act, we welcome your official support through such a proclamation any time between now and the end of 2014

During the week of May 8th, our office will setup displays in the lobby of the Court House and the Bryan Public Library to recognize Extension Day and we hope you will join us in stopping by to take a look at what Extension has done in the past 100 years We appreciate your continued support of our services to the people of Clay County and look forward to many more years of collaboration

Warm regards,

BJ McClenton
Clay County Coordinator

Enclosure Centennial Resolution

Centennial Resolution Language

This is a resolution template commemorating the 100th anniversary of the national Cooperative Extension System, known in Mississippi as the Mississippi State University Extension Service and the Alcorn State University Extension Program. County supervisors can choose to adopt this resolution as a show of support for Extension programming.

Celebrating the 100th anniversary of the signing of the Smith-Lever Act, the founding legislation of the nationwide Cooperative Extension System

Whereas May 8, 2014, marks the centennial of the signing of the Smith-Lever Act (Act of May 8, 1914, Ch 79, 38 Stat 372, 7 U S C 341 et seq), which established Cooperative Extension, the nationwide transformational education system operating through land-grant universities in partnership with federal, state, and local governments,

Whereas U S Sen Hoke Smith of Georgia and U S Rep A F Lever of South Carolina authored the Smith-Lever Act to expand the “vocational, agricultural, and home demonstration programs in rural America” by bringing the research-based knowledge of the land-grant universities to people where they live and work,

Whereas Cooperative Extension is a critical component of the three-part land-grant university mission and works collaboratively with research programs, particularly the Agricultural Experiment Station System, and academic programs in 106 colleges and universities, including historically black, Native American, and Hispanic-serving institutions in all 50 states, the District of Columbia, and six U S territories to reach traditional and underserved audiences in all communities,

Whereas Cooperative Extension’s research-based education for farmers and ranchers helped establish the United States as a leading agriculture-producing nation in the world,

Whereas since 1902, 4-H, Cooperative Extension’s nationwide youth development program, has reached millions of youth and helped prepare them for responsible adulthood,

Whereas Cooperative Extension supports the development of healthy, productive lifestyles through sustained education, such as the Expanded Food and Nutrition Education Program, breaking the cycle of poverty and reducing expenditures for federal and state assistance programs,

Whereas Cooperative Extension provides rapid response to disasters and emergencies through the Extension Disaster Education Network and other similar efforts by providing real-time alerts and resources so Extension educators can respond to urgent needs resulting from hurricanes, floods, oil spills, fire, drought, pest outbreaks, and infectious diseases affecting humans, livestock, and crops,

Whereas Cooperative Extension translates science-based research into practical advice through local and online learning networks where Extension agents and educators are uniquely available to identify emerging research questions, connect with land-grant university faculty to find answers, and encourage application of findings to improve economic and social conditions, and

Whereas Cooperative Extension reaches rural and urban learners through practical, community-based and online approaches, resulting in the acquisition of knowledge, skills, and motivation to strengthen the profitability of animal and plant production systems, protect natural resources, support healthful lifestyle choices, ensure a safe and abundant food supply, encourage community vitality, and grow the next generation of leaders,

Therefore, be it resolved, that the Clay County Board of Supervisors

Recognizes the significance of the Smith-Lever Act to the establishment of Cooperative Extension nationwide,

Encourages the people of Clay County to observe and celebrate the centennial with a focus on launching an innovative and sustainable future for Cooperative Extension,

Honors the university faculty and local educators who dedicate their careers to providing trusted education to help people, families, youth, businesses, and communities solve problems, develop skills, and build a better future,

Thanks the Cooperative Extension volunteers, who provide thousands of hours to promote excellence for 4-H, Master Gardeners, family and consumer sciences, and other programs in their communities,

Encourages continued collaboration and cooperation among federal, state, and local governments to ensure Cooperative Extension's sustainability as the nation's premiere informal educational network, and

Celebrates the millions of youth, adults, families, farmers, ranchers, community leaders, and others who engage in Cooperative Extension learning opportunities designed to extend knowledge and change lives

Therefore, the Clay County Board of Supervisors does declare May 8, 2014, a day of celebration of the Cooperative Extension Service 100th birthday in Clay County

We are filing an objection to the adjustment for the County's Homestead Exemption reimbursement. We are qualified and have documents to explain. Our MS tax return was filed incorrectly and it was marked as non-resident. We have contacted our CPA and they have made the correction to fix the error and you can now see per the attached MS Tax Return that it shows us as residents of MS.

We apologize for any inconvenience and please let us know if there is anything else we need to do.

Thank you

March 6, 2014

Dear Clay County Property Owner

Enclosed please find the Notice of Homestead Exemption Disallowance for year 2013 as received by the Board of Supervisors from the MS Department of Revenue. The enclosed notice from the MS Department of Revenue will explain why your Homestead Exemption credit has been disallowed for year 2013 due to one of the following reasons as follows:

- **Code 35 Failure to comply with the State Income Tax laws** - This means if you have become delinquent in paying your State of Mississippi income taxes, your Homestead Exemption has been disallowed for year 2013 and charged back against your property.
- **Code 02 Applicant or applicant's spouse claims to be a resident of another state** - This means when you filed your State of Mississippi income tax return in 2013, wages were reported on a Non Resident of the State of Mississippi form, thus, resulting in your Homestead Exemption being disallowed for year 2013 and charged back against your property. *This was made in error incorrectly filed as MS nonresident*
- **Code 05 Applicant is not a natural person** - This means the SSN or TIN number used on the Homestead Exemption application is not valid or the SSN number belongs to a deceased individual per the SSA's Death index.

In an effort to help you better understand why your Homestead Exemption has been charged back against your property by the MS Department of Revenue, I would encourage you to call the numbers listed below:

MS Department of Revenue Homestead Division	(601) 923-7618
MS Department of Revenue Income Tax Division	(601) 923-7089

If you should need any additional assistance, call the Chancery Clerk's office and we will be glad to assist you.

As stated in the letter from the MS Department of Revenue, if you feel the MS Department of Revenue has made an error in disallowing your Homestead Chargeback, the applicant must file any objection to this action with the Clerk of the Clay County Board of Supervisors (Chancery Clerk's office 494-3124), not the Department of Revenue. The applicant has 30 days from the date of this letter to file an objection in writing with the Clerk for the Board of Supervisors to consider. If not filed in the time provided, the decision to disallow the applicant's homestead exemption is final.

Please let me know if my staff or I can assist you in any way with any questions you might have.

Sincerely,

 Amy G. Berry

TO Clay Co Board of Supervisors

The MS Dept of Revenue has stated that we owe on our state income taxes for 2013 This is due to our exemptions not coming our correct on our taxes I have sent information to prove this not right, but none of it has been accepted All of this has come about because my wife and I have foster children and have been trying to file them on our income taxes We have had them for over 3 years We have been having trouble on our taxes since we first tried to file them, even though we have sent information that we had them in our care The IRS has charged us on our federal taxes, in fact, we are making payments to them right now each month Now the MS Sated Revenue is saying we owe We have not received any refund from state or federal in almost two years, but keep receiving papers saying we owe for the years we have claimed our foster children I have sent documents to the IRS but they have not accepted them They continue to write back to say they are not acceptable We have talked with the agency, Youth Village out of Tupelo about this They keep telling us that we should be getting credit for having these foster children They sent us this letter so we can send to the IRS and MS State Revenue to see if it can help clear things up They have yet to respond My wife and I feel we have not been given a fair chance to clear our name As I have stated we have sent document, but the have not been accepted All we have tried to do was help these children and try to file them on our taxes and now we're having to pay money to the IRS I pray that you will hold off on your decision to disallow us Homestead Exemption until we can get this resolved

Re Homestead Exemption Chargeback 2013
Parcel # 091A 20A 0222800

Dear Ms Berry and Clay County Board of Supervisors

Please accept this letter as my formal objection to the notice I received from the Department of Revenue, a copy of which is enclosed, stating that I am not qualified for the 2013 Homestead Exemption. The basis given in the letter is that applicant or applicant's spouse claims to be a resident of another state when assessed with income tax. I have outlined below the specific basis for my objection.

1 My wife, Stacey W Monteleone, and I moved to West Point, Mississippi from Birmingham, Alabama in June of 2012. We purchased the house that is the subject of this Homestead Exemption Chargeback, located at 2096 Dogwood Drive in West Point on June 6, 2012. A copy of the Warranty Deed is attached hereto as "Exhibit A." Since that time, my wife, children and I have lived full-time in West Point, Mississippi.

2 Our move to Mississippi in 2012 was based on my wife's changing positions within her company. She is employed by Dolgencorp, LLC, the holding company for Dollar General. She is a regional director of stores with the company, and in 2012, her region changed from Alabama to the northern Mississippi region. A copy of my wife's W-2 for 2012 is attached hereto as "Exhibit B." As you will see, she had income during that year for both the State of Alabama and the State of Mississippi. Therefore we paid taxes to the State of Mississippi for 2012.

3 Following our move to West Point in June of 2012, my wife and I began to take steps to formally change our residency to the State of Mississippi. A copy of my State of Mississippi Driver's License and Clay County, Mississippi Voter Registration Card is attached as collective "Exhibit C." I registered to vote on July 2, 2012, and obtained my Mississippi driver's license on June 22, 2012. We purchased our clay County car tag on June 20, 2012, and renewed the tag in June of 2013. — Tax and Registration Receipts for 2012 and 2013 are attached as collective “Exhibit D” This vehicle is the only vehicle we own as my wife drives a company vehicle I am also attaching a copy of our 4-County Electric Power Association bill and payment history Our payment history begins in June of 2012 See 4-County Electric Power Association bill and payment history attached as “Exhibit E”

4 In January of 2013, I received a reminder from our realtor to file for Homestead Exemption At that time, my wife and I met all the requirements as we lived in our house before December 31, 2012, paid Mississippi State income tax for 2012 (based on my wife’s earnings from Mississippi), were and are legal residents, and have our vehicle registered in the State of Mississippi I therefore applied for the Homestead Exemption on February 20, 2013 A copy of the Mississippi Homestead Application is attached as “Exhibit F”

Re Disqualification of Homestead Exemption

Dear Sirs

Enclosed please find a copy of a letter from the Department of Revenue to you stating I am no longer qualified for Homestead Exemption

I had a misunderstanding related to my 2012 state income liability. When I discovered the error, I paid the liability immediately. However, it was after February 1, 2014.

The tax liability was \$95, and my check has cleared my bank account.

I am filing an objection to the disqualification. While I understand I did receive notices, my prior history with the Department of Revenue is excellent. I have always satisfied my tax obligations on time. It is my understanding the disqualification of my Homestead Exemption will result in additional liability of \$300 to me when I am billed for the upcoming year's property taxes. I do not feel it is fair or equitable to impose this \$300 assessment to me over \$95 that the Department of Revenue has already collected.

I appreciate your consideration of my objection to the disqualification.

Respectfully yours,

Ruthie S Weathers
